Dear Mr. Johnson

You are named as the inventor in the above-identified United States reissue patent application, filed under the provisions of 35 U.S.C. 116 (United States Code), and 37 CFR 1.47(a), Rules of Practice in Patent Cases. Should a reissue patent be granted on the application you will be designated therein as the inventor.

As a named inventor you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 CFR 1.19) or make your position of record in the application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the application, counsel of record (see address below) would presumably assist you in joining in the application and such would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63; 1.175.

Inquiries related to this communication may be addressed to the undersigned at (571)272-3217. Requests for information regarding your application should be directed to the File Information Unit at (703) 308-2733.
